Frequently Asked Questions:

How do I become a volunteer?

We ask that you attend a short volunteer orientation at the clinic and tour the facility. All volunteers are asked to fill out the following forms: a volunteer application, Statement of Faith and Confidentiality and a background check form. We also ask for a \$10 donation to cover the costs associated with running the background check. Forms are available at orientation and online at www.myhopehealth.org.

How often do volunteers serve and for how long?

Our most common volunteer commitment is once per month for a 3-4 hour shift anywhere from 9 a.m.—9 p.m. Monday—Thursday. However, we also have volunteers who volunteer weekly, quarterly or even just once a year. We would love to help you find a place you can serve that fits both your passion and your schedule.

Do I have to be a medical or dental professional to volunteer?

No! Most of our volunteers are NOT medical and dental professionals as we need support staff to run the clinic. Everything from filing, answering phones, returning patient calls, data entry, cleaning, bringing food, etc. There are many, many ways to help out at the clinic!

What volunteer needs are most pressing at this time?

We are in great need of men and women who will simply be on hand during clinics to listen, talk and pray with patients as needed. Our desire is to be a place for people to come to not only their physical health—but most importantly their spiritual health.

Do you provide training?

Yes. All volunteers will be trained and or/shadow another volunteer.

Upcoming Volunteer Orientation Dates:

The second Monday each month from 6:30-7:30pm at the clinic.
